Refresh & Refurbish Program

Exclusively By Coldwell Banker Mountain Properties

It's simple. Buyers are attracted to and typically pay top dollar for "move-in ready" homes. A home Refreshed & Refurbished by Coldwell Banker Mountain Properties shows better and will likely sell faster often yielding a higher sales price.

Like most of us, today's buyers work long hours and don't have the time to work on their house. They want free time to enjoy with friends and family, so "move-in ready" homes are an ideal purchase.
